FRIENDS WILL  
AID MRS. PAXTON

ARRANGE SPLENDID TESTIMONIAL FOR THE TEMPORARY BENEFIT OF HER FAMILY.

SAN FRANCISCO, March 27.—The plea of Mrs. Bessie Paxton for some support for herself and her two children has been heard. True enough, the seemingly hard-hearted former husband of Sonoma County, against whom this good woman has already secured a decision ordered him to pay \$50 per month to her children, but who has so far refused to contribute anything for the maintenance of his own offspring, chose not to hear, and from him she has received no aid. But her appeal to Judge Graham last Saturday was heard by Mrs. E. W. Crellin, formerly Camille d'Arville, the songstress famed over the world for the wonderful strength and sweetness of her voice and this woman decided to help to right the wrong that seems to have been done to Mrs. Paxton.

Mrs. Crellin is arranging for a testimonial, the proceeds to go to help Mrs. Paxton and her two children until the court is able to compel the former husband to pay what has been ordered. It will be a splendid affair. Society has promised to be out in full force. The Tivoli has been rented for the afternoon of March 13 and the seats are now on sale there and at the apartments of Mrs. Crellin at the Empire, Bush and Leavenworth streets. Mrs. Crellin herself will sing several numbers. Mr. Regensburger will play. Many other noted musicians will lend their talents for the afternoon. The final programme will be a splendid one. The patronesses are to be Mrs. Walter Dean, Mrs. M. H. de Young, Mrs. Foster, Mrs. Huntington, Mrs. J. D. Spreckels, Jr., Mrs. J. K. Wilson, Misses Alice and Ethel Hager.

Mrs. Paxton has two children, a blind son and an invalid daughter. Her former husband is reputed to be wealthy.

Mrs. Paxton is well known in this city. She visited Honolulu about five years ago.

## FIRE ON PARKER'S RANCH.

R. S. Hosmer, Superintendent of Forestry, received a wireless from James Gibbs, manager of the Paauhau Plantation, near Hamakua, Hawaii, which read:

"Fire broke out this morning Parker Ranch land Paauhau, three miles above plantation. Big gang fighting fire. Very strong Kona blowing."

This locality is said to be very bad for fires. At this season though there is not thought to be much danger.

## RHEUMATISM CAN BE CURED.

There is no disease which inflicts more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is therefore a bold statement to make but Chamberlain's Pain Balm, which enjoys an extensive sale in this country, has met with success in the treatment of this disease wherever it has been tried. One or two applications of this liniment will relieve the pain and hundreds of sufferers from this disease testify to permanent cures by its use. For sale by all dealers. ## The Angelus!

With the ANGELUS came the miracle of dispensing with long years of study—with the ANGELUS came the power, even to the hand of the musically ignorant, to play the piano like an accomplished musician, and as later perfected to give to the music all the fine expression that would seem only to be possible when the fingers of the finished performer actually touched the keys. For the first time anyone who loves music—no matter how ignorant of notes and keys—may play like a virtuoso.
